Please share any concerns that you have about your child here:

_____

_____

_____

Please complete both sides of this form

Please circle any of the questions below to which your answer is "YES".

Lead Risk Assessment:

- Lives in or regularly visits a house/building built before 1978 with peeling or chipping paint, recent/ongoing renovation or remodeling?
- Ever lived outside the United States or recently arrived from a foreign country?
- Sibling, housemate/playmate being followed or treated for lead poisoning?
- Frequently puts things in his/her mouth such as toys, jewelry, or keys, or eats non-food items?
- Contact with an adult whose job or hobby involves exposure to lead?
- Lives near an active lead smelter, battery recycling plant, other lead-related industry, or road where soil and dust may be contaminated with lead?
- Uses products from other countries such as health remedies, spices, or food, or stores or serves food in leaded crystal pottery or pewter?

Tuberculosis Risk Assessment:

- Your child was born in, traveled to or lived in a "tuberculosis high-risk" country?
- Your child has a family member or has had contact with anyone with either active tuberculosis or a history of tuberculosis disease?
- *Your child has a family member with a positive tuberculin skin test?*

Social Determinants of Health Assessment:

- Within the past 12 months, have you had worries that food would run out before your family got enough money to buy more?
- Within the past 12 months, were there times that food ran out and your family didn't have enough money to get more?
- Have you needed help reading instructions, pamphlets, or other written material from a doctor or pharmacy?
- In the past 12 months has the electric, gas, oil, or water company threatened to shut off services in your home?
- In the past 12 months, has lack of transportation kept you from medical appointments, meetings, work or from getting things needed for daily living?
